Conroy's Smallgoods Pty Ltd is conducting a recall of the above products. The products have been available for sale at wholesalers and independent retail stores including IGA in SA and NT.

Problem: Potential microbial contamination due to routine food safety checks being unable to verify the safety of the manufacturing process for these products.

Food safety hazard: Food products contaminated with pathogens may cause illness if consumed.

What to do: Consumers should not eat these products. Any consumers concerned about their health should seek medical advice and should return the products to the place of purchase for a full refund.
