

Product Safety Recall

Purina Totalcare Dental Chomper for Dogs

Purina Totalcare Chase & Treat for Dogs

Hard rubber treat and chew dog toys.

Reason the product is recalled

Purina Australia is voluntarily recalling the above products due to a potential safety concern with the unique shape of the products.

The hazards to consumers

The unique shape of the product could injure an animal's tongue.

What consumers should do

Pet owners should stop using these toys with their pet and please return these products to the place of purchase for a full refund.
